Per the terms of the Fortinet Life Cycle Policy, Fortinet will continue to provide hardware support services for a minimum of twelve (12) months from the End of Order (EOO) milestone. The EOO milestone for a given product represents the last date that Fortinet will accept new orders for fulfillment, providing there is inventory available to fulfill the order. RMA/Replacements after the EOO milestone may include "like-for-like replacements" or an "enhanced replacement". In the case of enhanced replacement, changes to the customer's network or upgrade to a currently supported software release may be required.
